Date of Determination:_____Financial Counselor Signature:_____

**Application automatically expires one (1) year from the date of the approved application*

FOR RESTRICTIONS AND/OR EXCLUSIONS PLEASE CONTACT THE DEPARTMENT OR FINANCIAL COUNSELOR - LAST REVISION 12/19/16

Marshall Health Notice of Availability/Application For Reduced Cost Services

It is the policy of the Marshall Health, subject to their respective medical capabilities, financial resources and the guidelines outlined below, to make available appropriate and medically necessary health care services to all individuals without respect to their ability to pay for such services.

Each Department/Division of Marshall Health will determine what services are available under the uncompensated or reduced cost care program. Only medically necessary physician services will be included and laboratory, x-ray or other ancillary services provided by third parties or under contract to Marshall Health will not be included.

To be eligible for reduced cost care, your household income may not exceed certain income guidelines established by the U.S. Department of Health and Human Services. These guidelines are based on family size and are updated annually.

If you believe you are eligible for the services described above, you may complete the application on the back of this notice and return it to: Financial Counselor, 1600 Medical Center Drive, Room 3402, Huntington, WV 25701. You may be required to apply for health insurance coverage under the Medicare, Medicaid or other federal and/or state insurance programs if it appears that coverage may be available thereunder. You may also be required to supply copies of pay stubs, W-2 forms, income tax returns and/or other documents necessary to verify your income level. Once a completed application and verification information have been received the Financial Counselor will make a written determination regarding your eligibility under the program and return a copy to you.

Applications will be held pending review for a period of not more than thirty (30) days until required eligibility documentation is received. Questions concerning the operation of this program should be directed to a Financial Counselor in the Department/Division where you are seeking services. Questions, comments and/or concerns regarding operation of this program may also be addressed in writing to C.E.O., Marshall Health. 1600 Medical Center, Suite 3400, Huntington, WV 25701.
